

## Johnston County CMARC (Early Childhood Care Management) (previously CC4C) and Why it's Awesome!!

### It's Free!!

We can work with any child from birth to age 5 regardless of income or whether the child has private insurance, Medicaid, or is uninsured.

All Children under the age of 5 who are exposed to Adverse Childhood Events are eligible.

These may include:

- Domestic Violence
- Substance Abuse
- Abuse & Neglect
- Foster Care

### Head Start & Preschool Evaluations

If your child qualifies, we can help with this.

### Developmental and/or Medical Concerns

We can help provide education, link you to resources, & follow up with providers to help your child with:

- Assessments for developmental delays such as speech, occupational, or physical
- Prematurity/NICU
- Autism
- Behavioral concerns
- Medical specialist referrals

### Community Resources

- WIC
- Food Banks
- Diapers
- Transportation
- Support Groups
- Parenting Classes
- Health Education
- Resources for Post-Partum Depression
- Dentists
- Pediatricians
